

The Africa We Want

Agenda 2063

An Overview

- Guiding vision
- What is Agenda 2063?
- Why Agenda 2063?
- Consultation Process
- Key documents
- First 10 years implementation Plan
- Making it Happen
- Unique Opportunity for ACBF

African Union Vision

“An integrated, prosperous and peaceful Africa, driven by its own citizens and representing a dynamic force in International arena”

The 50th Anniversary Solemn Declaration

Key areas to make progress

1- African Identity and Renaissance

2- Struggle against Colonialism & Self Determination

3- Pursuing the Integration Agenda

4- Social and Economic Development

5- Peace and Security

6- Democratic Governance

7- Determining Africa's Destiny

8- Africa's Place in the World

50 Years Of Progress Toward 2063

What is Agenda 2063?

“Agenda 2063 is a strategic framework for the socio-economic transformation of the continent over the next 50 years. It builds on, and seeks to accelerate the implementation of past and existing continental initiatives for growth and sustainable development.”

Overview of Agenda 2063

The Vision

- The AU Vision
- The Solemn Declaration
- African (Peoples') Aspiration

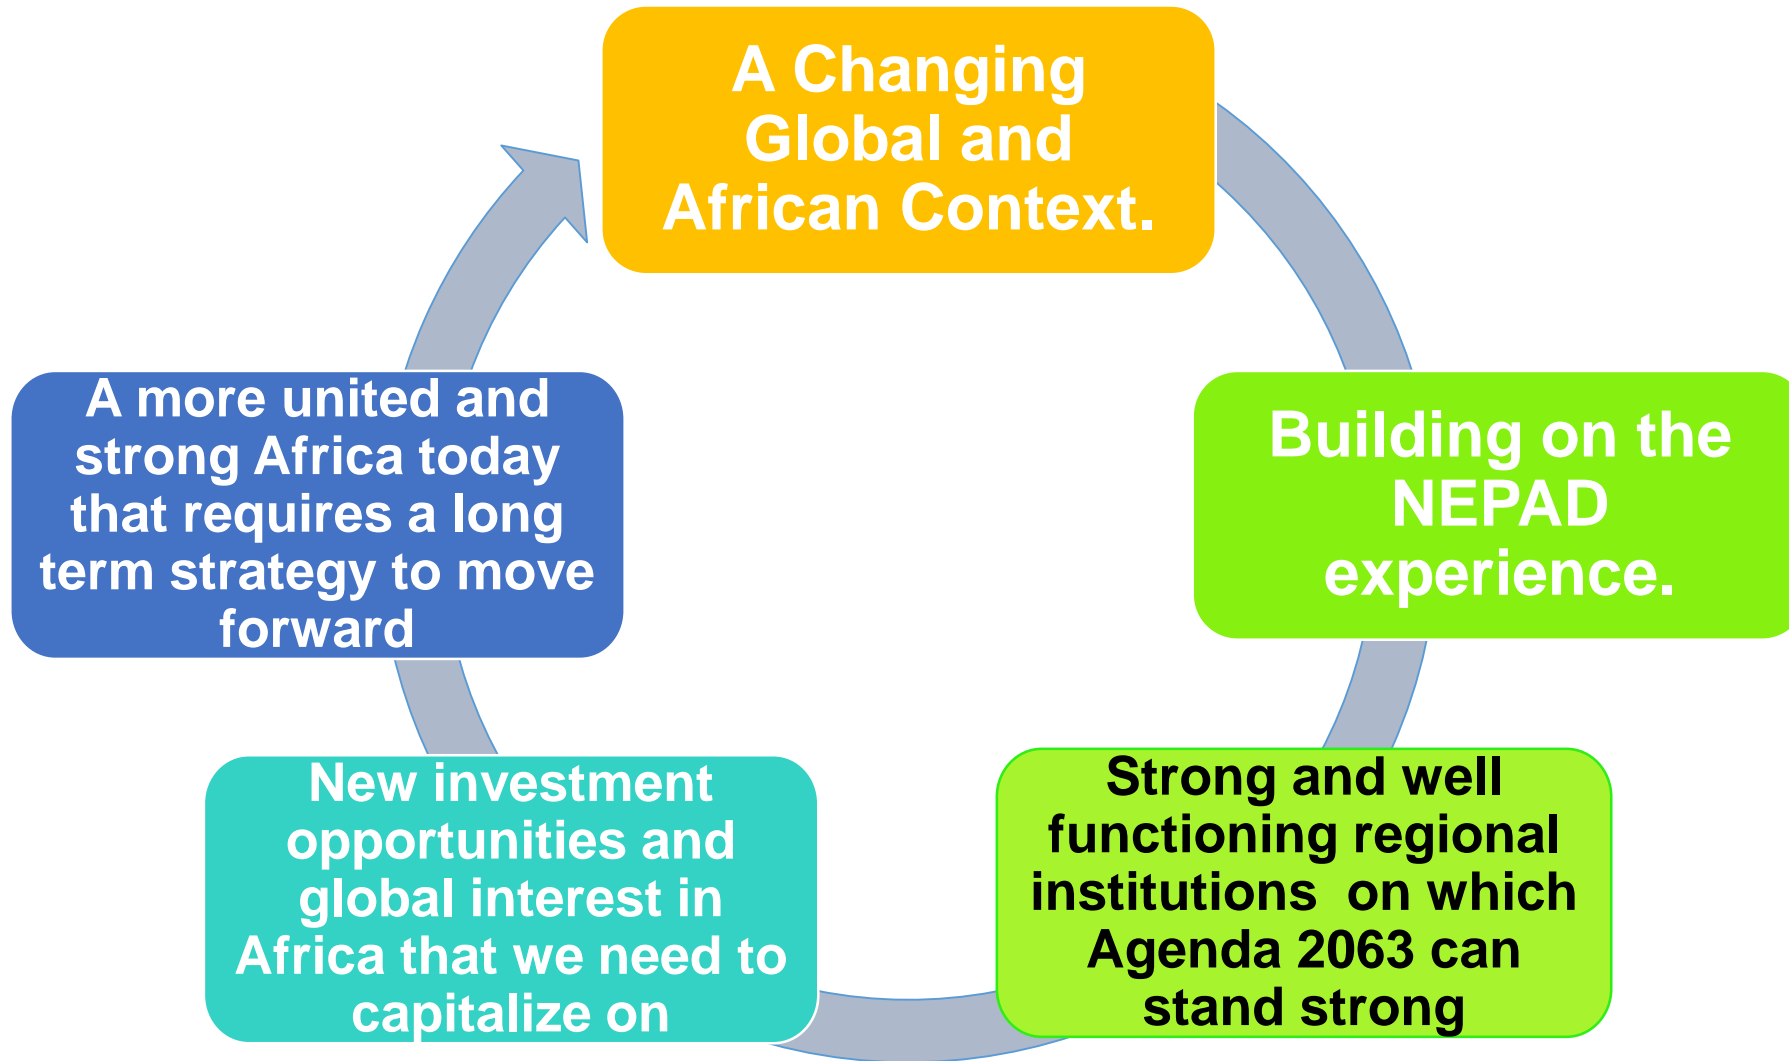

The Transformation Framework

- The Goals
 - Priority Areas
- Indicative strategies
 - Targets
- Implementation Arrangements
 - M&E Framework
- Communication Strategy
 - Resource Mobilization Strategy
- Capacity Development needs

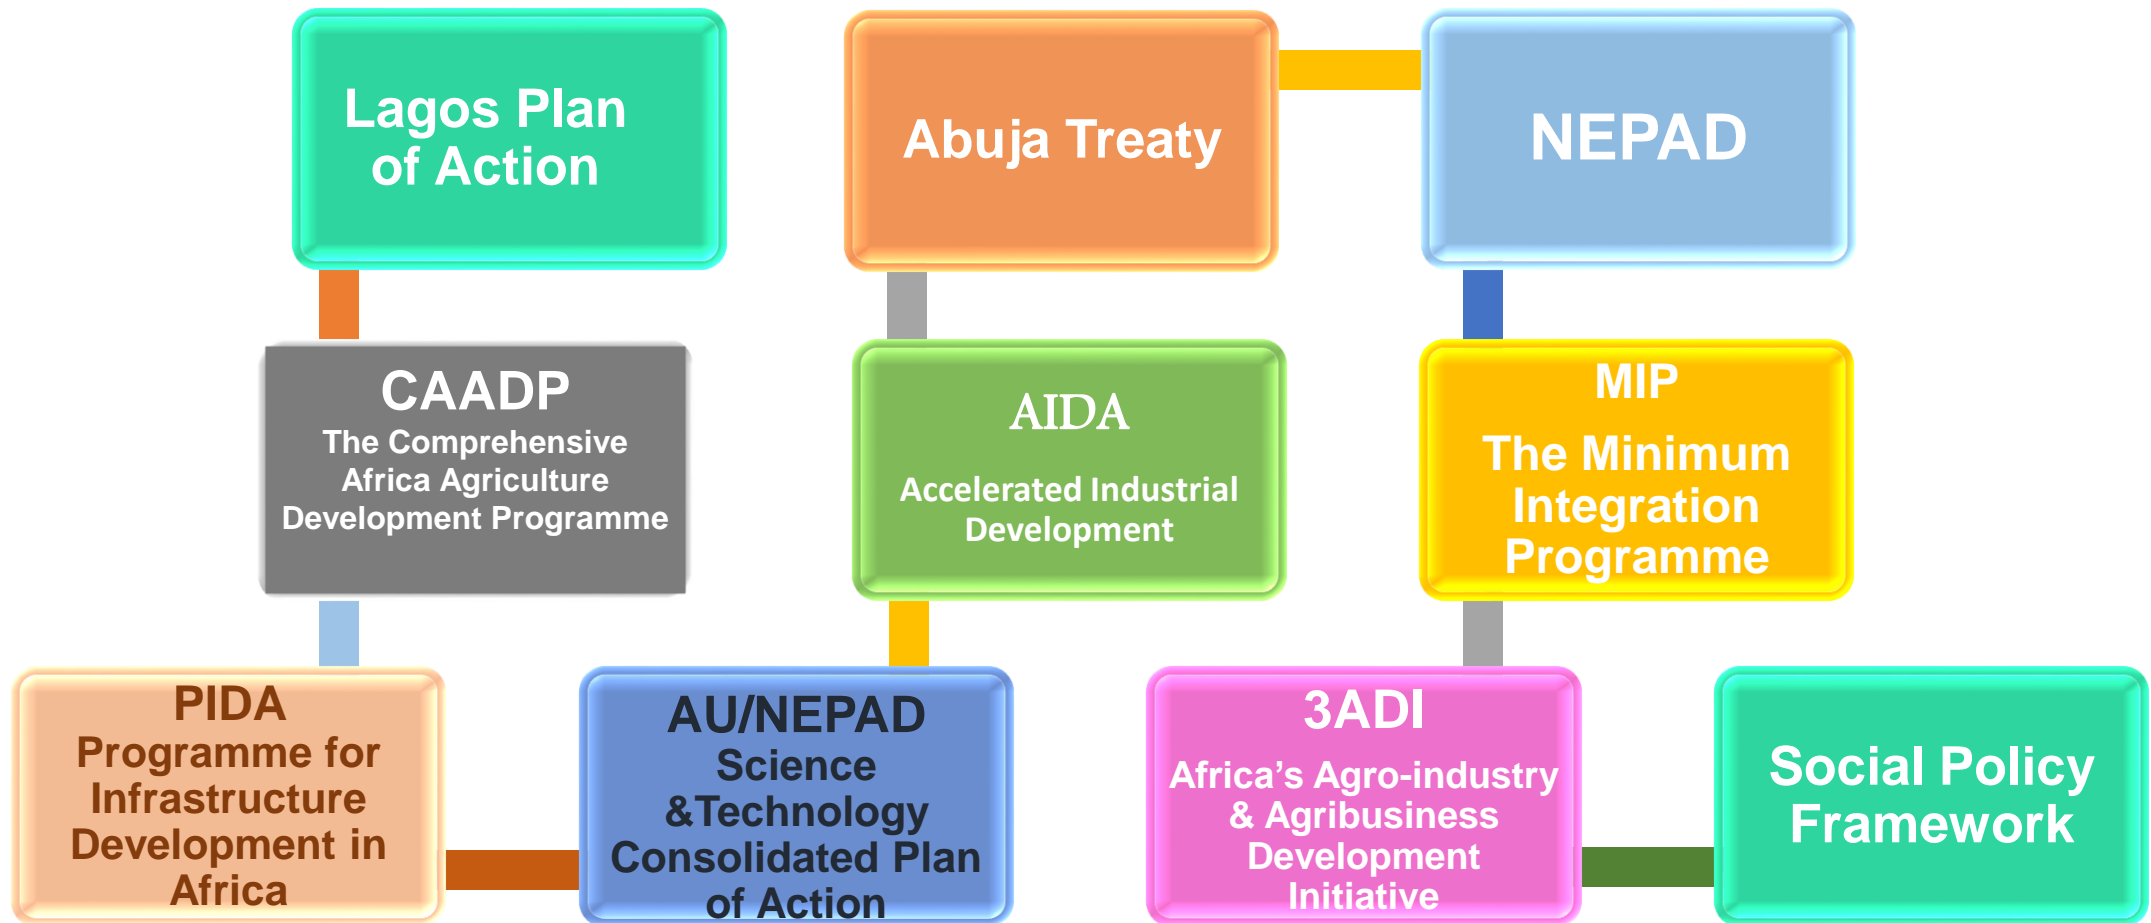

The Plan

- Five 10 Year Implementation Plans Over the 50 Years

Why Agenda 2063?

Agenda 2063: Building Upon Past Frameworks

Key Features and Value Addition

2. Seeks to harness the continent's competitive advantages embodied in its people, history, cultures and natural resources, geo-political position to:

1- Effect equitable and people-centered growth and development

2- Eradicate poverty

3- Develop human capital; social assets, infrastructure and public goods

4- Establish enduring peace and security

5- Put in place effective and strong developmental states

6- Promote participatory and accountable institutions

7- Empower women and youth to fulfill the African Dream.

Overall Process and Approach

Stakeholder Consultations

- Private Sector
- Academics / Think Tanks
- CSOs
- Planning Experts
- African Diaspora;
- Youth
- Women
- Media
- Web-based general public at the continental level
- Sector Ministries.
- AU organs
- RECs

Technical Process

- Situational analysis,
- Review of national plans and continental frameworks,
- Trend analysis and scenario planning
- Other studies: finance, transformation, Blue economy, etc.

Popularization

- Communication strategy.
- Creation / maintenance of website for Agenda 2063;
- Bulletins / News Letters
- Radio, Press, and TV.
- Social Media.

Consultation Process

Part I

Learning from the past through a review the African development experience at the national, sub-regional and continental levels

Part II

Looking into the future through a discussion of the type of Africa participants want, key goals, milestones, priority actions as well as drivers and enablers

Part III

How to make it happen through exploring and proposing a broad Agenda 2063 implementation, monitoring and evaluation framework

From
September
To
December
2013

Indicative List of Consultations/Inputs Received

Member States

- 14 Member States
- National Workshops

Ministerial Meetings

- Tourism
- Science and Technology
- Finance and Development
- Social Affairs, Labour and Employment
- Agriculture
- Infrastructure
- Women and Gender
- Integration

Continental Frameworks

- 55 Existing Frameworks

Broad-based Consultations

- Private sector
- African Academics / Think Tanks
- Planning Experts & Development Specialists
- Civil Society Organizations
- Diaspora
- Youth
- Media
- Women
- Faith Groups
- African Island States
- Former Heads of State & Government
- Web Based Consultation

RECs/NEPAD

- SADC
- EAC
- COMESA
- ECCAS
- CEN-SAD
- NEPAD

AU Organs

- PAP
- Anti-Corruption Commission
- African Court
- Commission on Human Rights

National Plans

- 33 Member States

Regional Plans

- 7 frameworks

Specialized Inputs

- RUFORUM
- GIMAC
- Organization of African Trade Unions
- Association of African Public Services Commissions
- African Airlines Association
- African Wildlife Heritage Foundation
- ACHMUD
- African Cultural Heritage Foundation
- African Women Business Forum
- Youth Business Forum
- Agenda 2063 Technical Committee (AUC, NEPAD, ECA, AfDB)
- AUC (The Commission)

Key Agenda 2063 Documents

- ❑ Over the last 18 months and based on extensive consultations and detailed technical work, the following key Agenda 2063 Documents have been produced by the Commission in collaboration with NEPAD Planning and Coordination Agency supported by UNECA and AfDB:
 - ✓ Agenda 2063 Framework Document – The Transformation Framework
 - ✓ The Agenda 2063 Popular Version
 - ✓ The Draft First 10-Year Implementation Plan

Agenda 2063 Transformation Framework Structure

Presents the Vision for 2063 and details what achieving each of the 7 aspirations would mean for Africa and her citizenry.

1. Chapter 1: Introduction

2. Chapter 2: Aspirations

3. Chapter 3: Situational Analysis

4. Chapter 4: Presents Goals, Priority areas, Targets and Indicative Strategies, and the linkages to the previous initiatives.

5. Chapter 5: Success Factors, Mega Trends, Risks and Mitigation Strategies

6. Chapter 6: Implementation arrangement “Making It Happen”

Agenda 2063 Transformation Framework

The Vision and Aspirations for 2063

Presents the Vision for 2063 and details what achieving each of the 7 aspirations would mean for Africa and her citizenry.

1. A prosperous Africa based on inclusive growth and sustainable development.
2. An integrated continent, politically united and based on the ideal Pan Africanism and the vision of Africa's Renaissance.
3. An Africa of Good Governance, Democracy, respect for Human Rights, Justice and the Rule of law.
4. A Peaceful and Secure Africa.
5. An Africa with a strong cultural identity, common heritage, shared values and ethics.
6. An Africa whose development is people-driven, relying on the potential of African People, especially its Youth and Women, and caring for Children.
7. Africa as a strong, united and influential global player and partner.

Agenda 2063 Transformation Framework

“Making It Happen”

Chapter 6
Presents The
Following
Elements Of
“Making It
Happen”

Implementation.

Monitoring and Evaluation.

Financing.

Partnerships.

Capacities for Implementation.

Communication and Outreach.

Agenda 2063 Transformation Framework

“Making It Happen”

- Based on the need for identification of all key stakeholders in the results chain from continental, regional and national levels.
- Stakeholder relationship which spells out the various roles & responsibilities in implementation and M&E.

Implementation Arrangements and M&E

Detailed strategies are presented and related to the attaining of each of the aspirations, including broad strategies and processes such as

- The High Level Panel on Alternative Sources of Funding
- The High Level Panel on Illicit Flows.

Financing Strategies

- Re-orient Africa's partnerships in line with the continent's ambitious agenda for economic, political, social transformation.

Partnerships

- Looking at individual, organizational and those related to the policy and enabling environment in line with Africa's transformation agenda.

Capacities for Implementation

- Strategies and activities to galvanize and mobilize the continent's population on a sustained basis to achieve Agenda 2063.

Communication & Outreach

Structure of the First Ten Year Plan Document

1. Introduction: The Context, Purpose and Foundation
2. Goals and Priority Areas: Current Development Situation, Selection Criteria for Goals and Priority Areas, Goals and Priority Areas, Africa in 2023
3. Plan Framework: The Context; For each of the 7 aspirations - the goals, the priority areas for each goal, the target(s) for 2023 (national, regional and continental) , the indicative strategies and key process actions/ milestones towards 2023 on continental frameworks
4. Implementation Plan: (Guiding Principles, stakeholder relationships / responsibilities , timelines policy guidelines, capacity and communication)
5. Monitoring and Evaluation: Rationale for M&E, Structure of Results Framework, Policy Guidelines on M&E and Knowledge and Experience Sharing
6. Financing: Needs of the First Ten Years, Facilitative Measures ; implementation arrangements
7. Partnerships: Recommendations on Partnerships

The Plan Framework

Criteria for Selecting Goals, Priority Areas for the first ten year plan

- Fast Track Projects / Initiatives
- Focus areas in national/regional plans
- Continental frameworks (eg. CAADP, PIDA, AMV)
- Assembly Decisions (eg. Silence All Guns by 2020)
- Others

Structure of the Results Framework

Goals and Priority Areas

Aspiration	Goals	Priority Areas
<ul style="list-style-type: none">Prosperous Africa, based on Inclusive Growth and Sustainable Development	<ul style="list-style-type: none">A High Standard of Living, Quality of Life and Well Being for all Citizens	<ul style="list-style-type: none">Incomes, and Jobs and decent workPoverty, Inequality and HungerSocial Security and protection, including Persons with DisabilitiesModern, Affordable and Livable Habitats and Quality Basic Services
	<ul style="list-style-type: none">Well Educated Citizens and Skills Revolution underpinned by Science, Technology and Innovation	<ul style="list-style-type: none">Education and STI driven Skills Revolution

Goals and Priority Areas

Aspiration	Goals	Priority Areas
	Healthy and Well Nourished Citizens	<ul style="list-style-type: none">• Health and Nutrition
	Transformed Economies	<ul style="list-style-type: none">• Sustainable and Inclusive Economic Growth• STI driven Manufacturing, Industrialization and Value Addition• Economic Diversification and Resilience

Goals and Priority Areas

Aspiration	Goals	Priority Areas
	Modern Agriculture for increased productivity and production	<ul style="list-style-type: none">• Agricultural Productivity and Production
	Blue/Ocean Economy for accelerated economic growth	<ul style="list-style-type: none">• Marine resources industry• Port Operations and Marine Transport• Marine Energy and mining

Goals and Priority Areas

Aspiration	Goals	Priority Areas
An Africa of Good Governance, Democracy, Respect for Human rights, Justice and Rule of Law	Democratic Values, practices, universal principles of Human rights, Justice and Rule of Law Entrenched	<ul style="list-style-type: none">• Democracy and Good Governance• Human rights, Justice and Rule of Law
	Capable Institutions and Transformative Leadership in Place	<ul style="list-style-type: none">• Institutions and Leadership• Participatory Development and Local Governance

Goals and Priority Areas

Aspiration	Goals	Priority Areas
Africa with a Strong Cultural Identity Common Heritage, Values and Ethics	African Cultural Renaissance is pre-eminent	<ul style="list-style-type: none">• Values and Ideals of Pan Africanism• Cultural Values and African Renaissance• Cultural Heritage, Creative Arts and Businesses

The Plan Structure /Matrix

Aspiration 5: Africa with a Strong Cultural Identity, Common Heritage, Values and Ethics		
Goal 16: African Cultural Renaissance is pre-eminent		
Priority Area (1)	2023 Target	Key Process Actions/ Milestones Towards 2023 on AU Frameworks
Values and Ideals of Pan Africanism	<u>National</u> <ul style="list-style-type: none">• At least 60% of content in educational curriculum is on indigenous African culture, values and language targeting primary and secondary schools• An Agency for Diaspora Affairs/ Relations is in place and will be facilitating the Diaspora contributions to development	<u>Encyclopedia Africana Project (EAP)</u> <ul style="list-style-type: none">• <u>Framework for Continental execution of the EAP set up by 2015 followed by development of Development of Action Plan for completion of the EAP by 2016</u>• <u>Compilation / editing of the Encyclopedia Africana takes place between 2017/22 with launch scheduled for 2023</u>

The Plan Structure /Matrix

Aspiration 5: Africa with a Strong Cultural Identity, Common Heritage, Values and Ethics

Goal 16: African Cultural Renaissance is pre-eminent

Priority Area (1)	2023 Target	Key Process Actions/ Milestones Towards 2023 on AU Frameworks
Values and Ideals of Pan Africanism	<ul style="list-style-type: none">• Dual Citizenship granted to the Diaspora	

Indicative Strategies

- Implement the Charter for African Cultural Renaissance.
- Implement the Algiers Declaration on the Harmonization and Coordination of cultural policies and programmes
- Review educational curricula to include values and ideals of Pan Africanism, African cultural values and heritage.

The Plan Structure /Matrix

Aspiration 5: Africa with a Strong Cultural Identity, Common Heritage, Values and Ethics

Goal 16: African Cultural Renaissance is pre-eminent

Priority Area (2)	2023 Target	Key Process Actions/ Milestones Towards 2023 on AU Frameworks
Cultural Values and African Renaissance	<p><u>National</u></p> <ul style="list-style-type: none">At least 20% of the citizenry participate in culture and appreciate the creative arts <p><u>Continental</u></p> <ul style="list-style-type: none">At least 70% of Member States are fully implementing the Charter for African Culture and RenaissanceLinguistic Atlas for Africa Completed	<p>Linguistic Atlas for Africa</p> <ul style="list-style-type: none">Data Capture is completed by 2015/16 followed by compilation and editing between 2017/22 with launch in 2023

The Plan Structure /Matrix

Aspiration 5: Africa with a Strong Cultural Identity, Common Heritage, Values and Ethics

Goal 16: African Cultural Renaissance is pre-eminent

Indicative Strategies

To achieve the above targets, the following indicative strategies have to be considered

National

- ✓ Implement the Charter for African Cultural Renaissance.
 - ✓ Build the capacity of Pan African cultural institutions.
 - ✓ Implement the Language Plan of Action for Africa.
 - ✓ Expand African Language Atlas Mapping to cover the creole language of the African Island States
- Continental/Regional
- ✓ Implement the Continental African Renaissance Strategy Campaign.
 - ✓ Develop/implement frameworks for the use of vehicular cross border language to foster regional integration
 - ✓ Research, record and disseminate African traditional stories that offer lessons for young people to take pride in their Africaness

The Plan Structure /Matrix

Aspiration 5: Africa with a Strong Cultural Identity, Common Heritage, Values and Ethics

Goal 16: African Cultural Renaissance is pre-eminent

Priority Area (3)	2023 Target	Key Process Actions/ Milestones Towards 2023 on AU Frameworks
Cultural Heritage, Creative Arts and Businesses	<p><u>National</u></p> <ul style="list-style-type: none"> At least 60% increase in local content in all print and electronic productions and media Mechanism in place for inter-generational cultural dialogue At least 30% of all national cultural treasures that are identified are retrieved, protected, archived and valued <p><u>Continental</u></p> <ul style="list-style-type: none"> At least 70% of Member States are implementing the AU Plan of Action on Culture and the Creative Industries All African cultural treasures / patrimony retrieved Framework for Adoption of African Heritage Sites is in place by 2018 The 2013 level of Africa's contribution to World Heritage Sites is doubled by 2025 	<p>Cultural Antiques <u>National</u></p> <ul style="list-style-type: none"> Domestication of model law on cultural antiques is done between 2018/23 <p><u>RECs</u></p> <ul style="list-style-type: none"> Consultations with member states on model law on cultural antiques is completed by 2017 <p><u>Continental</u></p> <ul style="list-style-type: none"> Standard / model law on cultural antiques is developed by 2015 followed by consultations with RECs on the model law in 2016

The Plan Structure /Matrix

Aspiration 5: Africa with a Strong Cultural Identity, Common Heritage, Values and Ethics

Goal 16: African Cultural Renaissance is pre-eminent

Indicative Strategies

To achieve the above targets, the following indicative strategies have to be considered

National

- Implement the Namibian Plan of Action on Culture and the Creative Industries.
- Ratify all appropriate international conventions which focus on the protection and promotion of the diversity of cultural expressions in particular UNESCO Conventions on Cultural Heritage (1972, 2003, 2005) to promote pride and African cultural regeneration.
- Develop inventory of proposed World Heritage Sites and submit proposals to UNESCO for consideration
- Develop/implement frameworks for the graduation of African Heritage Sites into World Heritage Sites
- Create inventory of national icons and recover cultural footages abroad and develop strategies to negotiate and retrieve national treasures from individual and institutional collections

Continental/Regional

- Develop/ facilitate the implementation of continental frameworks on African Heritage Sites
- Coordinate / facilitate the promotion of African Heritage Sites into World Heritage Sites

Success Factors/ Risks and Mitigation Strategies

Key Success Factors	Risks
<ul style="list-style-type: none">• Leadership and Political Commitment• Capable Development State• Participation, Inclusion and Empowerment & Engagement by Citizens• Results Orientation	<ul style="list-style-type: none">• Conflict, Instability and Insecurity• Failure to harness the demographic dividend• Climate Resilience and Natural Disasters• External Shocks• Management of Diversity

Mitigation Strategies have been addressed through the:

- Results Matrix– diversification to minimize external shocks, creation of capable states as priority area, prevention of conflicts/maintenance of peace and security as goals/priority areas, managing diversity at national level through targets for inclusiveness/ management of ethnicity etc, at the continental level through the setting of goals / targets(land locked states, island states and targets that are nation dependent– reduce poverty by X%
- Implementation arrangements: Assignment of responsibilities and accountabilities plus monitoring mechanisms on all stakeholders; participation of citizens in the processes, citizens engagement through the implementation of a communications strategy, design/ implementation of capacity development program for capable state

Making It Happen

Principles

- Subsidiarity
- Accountability and Transparency
- Participation, Inclusiveness and Integration
- Diversity
- Leveraging on Existing Institutions and Systems
- Harmonization of Policies, Systems and Practices

Stakeholder Relationships

- Continental
- Regional
- National

All Stakeholders Activities are linked through TIME LINES

Responsibilities/Accountabilities (In Policy Guidelines)

Each of the Stakeholders has been assigned some responsibilities. For example, in the case of the RECs on implementation:

- ❖ At inception provides leadership in the Regional / National Consultative Process with respect to the preparation of Agenda 2063
- ❖ Participates in the continental operational oversight of Agenda 2063 and be the entry point for continental level initiatives for Member States in the region.
- ❖ Adapts / aligns continental long /medium term Agenda 2063 10 Year Plans / Guidelines to regional plans
- ❖ Issues regional Agenda 2063 10 Year Plan guidelines to Member States
- ❖ Coordinates the preparation and execution of regional projects / programmes as per Agenda 2063
- ❖ Coordinates the integration of Monitoring and Evaluation reports of Member States in the region and submit to the Ministerial Committee for their consideration
- ❖ Leads in the mobilization of resources to implement regional projects and programmes as per Agenda 2063

Monitoring and Evaluation (Policy Guidelines)

Each of the Stakeholders has been assigned responsibilities in monitoring and evaluation. For example for RECs:

- Designate a focal point within its structures to be responsible for the coordination / facilitation of the M&E of implementation of Agenda 2063 by Member States and Regional Agenda 2063 Programmes.
- Issue Regional specific Agenda 2063 monitoring and evaluation guidelines to member states.
- Organize annual fora for Member States to review regional monitoring and evaluation performance on Agenda 2063.

Capacities for Implementation, Monitoring and Evaluation

All Stakeholders
(individuals & institutions)
in the implementation,
monitoring and
evaluation chain at the
continental, regional and
national levels will be
capacitated

At the individual level
focus will on: leadership
and transformational
skills, behavioral /
attitudinal change

At the institutional level
focus will be on:
planning, monitoring
and evaluation, systems
& process improvements
and information
technology upgrades

Consultancy for the
Study on Capacity
imperatives for the
implementation of the
agenda is going on
under the leadership of
ACBF

Communications

A communication strategy has been developed

The objective of the ComStra is to engage the African Citizenry and Institutions for ideas generation/ sharing, participation in periodic development/ revision of the results framework, participation in the monitoring and evaluation and more importantly their owning both the processes and the outcomes of Agenda 2063

The main communication tools at the national, regional and continental levels envisaged include: meetings; debates; community / town hall/church or mosque meetings; workshops, songs, poems, teaching in schools, TV and radio presentations/discussions amongst others

- A Resource Mobilization Strategy Study has been completed
- Key areas requiring financing at the national, regional and continental levels have been identified by aspiration and potential sources for funding identified.
- These potential sources embrace current AU initiatives as : Illicit capital outflows, High Level Panel on Alternative Sources of funding, Bonds (Infrastructural, Diaspora), African Credit Guarantee Facility etc
- Other sources identified include: Capital markets/ equity and debt, crowd funding for specific causes etc.
- Key Strategies for the RM are:
 - Policies for improving investment climate
 - Setting up / executing specific development funds
 - Establishing financial information infrastructure
 - Developing expertise in financial advisory services and
 - Putting in place risk sharing facilities

Partnerships

- The following actions are to be undertaken to maximize benefits from AU Partnership relations:
 - Preparation of AU Policy Framework on Partnership
 - Developing / implementing strategies for partnership benefits maximization
 - Deepening transformational benefits from partnerships

Clearing Process

- Planning and other Experts Consultations (93 participants, 47 member states and 6 of the 8 Recs)
- STC
- Sector Consultations (6 sectors)
 - ✓ Manufacturing / Industry / Trade and Finance/Investment
 - ✓ Human Capital
 - ✓ Agriculture/Blue Econ/Environment
 - ✓ Governance, Human Rights/Peace and Security
 - ✓ Integration/Infrastructure-Transport/Energy/ICT
 - ✓ Social / Cultural/Gender/ Youth
- RECs Consultations
- Executive Council Retreat
- AU Summit

Agenda 2063 Flagships

- ❑ An Integrated High Speed Train Network;
- ❑ Pan African E-University for the accelerated development human capital, science and technology, and innovation;
- ❑ Formulation of commodities strategy;
- ❑ The African passport to accelerate free movement
- ❑ The Inga Dam project
- ❑ Establishment of an annual African forum (political leadership, business and the private sector, intellectuals, the civil society) etc;
- ❑ Fast tracking the establishment of the Continental Free Trade Area; and
- ❑ The development of a sound communication strategy.
- ❑ Airspace
- ❑ Silencing the guns
- ❑ Aviation

Opportunity and Role for ACBF

ACBF is member of the Technical Committee set up for Agenda 2063

ACBF was invited to join the AUC-RECs-UNECA-AfDB Coordination meeting. During the first meeting, ACBF shared ideas on allocation of roles and responsibilities

The Chairperson of AUC tasked ACBF to lead the study on capacity imperatives for the implementation of the Agenda

ACBF is working on a study on risks associated to the implementation of the Agenda. The report will be submitted to the Executive Council for the next AU Summit

Opportunity and Role for ACBF

Upon request from NEPAD, ACBF will lead the implementation of the 10 year capacity development plan adopted by AU in January 2015.

ACBF is willing to support activities leading to the domestication of the Agenda 2063 at country level

Opportunities to lead capacity dimensions of projects/programs (eg. ACBF will be part of AU delegation to China)
Unique opportunity for resources mobilization

High Expectation and Potential reputation risk

THANK YOU!
